

Online Mathematics Resource

Dear Parents and Guardians,

Your child's class has been given access to Matific, the exciting new online Mathematics resource that is specifically designed to help boost your child's confidence.

Matific is an educational and fun online tool which have been proven to help improve test scores by 34%. It has thousands of interactive activities which are all linked to the curriculum.

Your child's teacher can assign activities for them to complete at school or at home. Your child will be able to access their Matific account both at school or at home using the log-in details attached.

Please ensure that your home computer is using any of the following browsers:

- 1) Chrome
- 2) Latest version of Internet Explorer: IE 10x or above
- 3) Mozilla Firefox

To access Matific on any tablet device simply download "**Matific Student**" from the App Store or the Google Play store. Once your child has logged in to their Matific account, all activities available for them will appear on the school missions or home missions tab.

If you have any further questions, please contact the Matific team at support@matific.com

Yours sincerely,
The Matific Team
