On Monday the 17th of September WPS had 6 students represent our school in the Sydney North Athletics Carnival. Their behaviour was exception and they all put in 110% effort. If you would like your child to be involved please return the permission slip with payment ASAP. Vacancies will be offered to Year 5 and 6 students if Year 2, 3 and 4 students have not returned notes by Week 3, Term 4.

Careers Day

Last Thursday was an incredibly fun morning for our students, families and visitors. The children had the opportunity to meet many people from different professions and ask them about their jobs, what they involved and what qualifications they needed for that career path. We are very grateful for the contribution of many local businesses and organisations and also to our own WPS parents who came along to share their chosen careers with the school. We appreciate how much time they gave to be involved and the effort they put in, thank you.

It was wonderful to hear a great deal of positive feedback from our visitors regarding the behaviour of the students and the respect shown. A couple of students in particular stood out to Jane Cassidy, our Commonwealth Bank representative and she returned to the school this week to present gifts to Sean B. and Natalia K. to reward their respectful and positive attitude at Careers Day. We are very proud of them!

Farmer Friday

Thank you for your kind donations for Farmer Friday "Aussies Helping Aussies". It was a fantastic effort from the community students and staff in dressing up and donating items and money in support of such a worthy cause.

Also thank you to the girls Violet T, Abbey P, and Kianna G for your initiative and community spirit in organising this event. The donations will be forwarded directly to the charity supporting the drought affected farmers.

Book Parade

Last Wednesday saw the whole school participating in our annual book character parade with a whole range of bright, colourful and innovative costumes on display. The students and teachers had fun showing off their costumes and dance moves to their parents. Thanks to Kristy Robertson for organising this very popular event!

Thank you for your fantastic effort in supporting our school. Have a safe and happy holidays. Term 4 resumes for staff and students, 15th October 2018.

Kinder Report

This has been a very busy term and we are all in need of a little rest to recharge the batteries, ready for term 4.

Our Kinders will be welcoming in the new kindy arrivals for 2019 when transition starts next term. We will be busy working hard and preparing for Year 1.

Leap into Learning begins in Term 4 Week 2 (Wednesday 24th October). We know there may be other families who have children ready to start kindergarten next year who haven't already enrolled. It is not too late to come into the office or call to get enrolment details.

We all had a ball at our Book Character Parade. It was great to see all the students getting into character, dressing up and having fun.

Congratulations to Ann D on receiving the Brian Hilton trophy this week. We are all very proud of your achievements.

From all of the Early Stage 1 teachers and staff, we wish you a safe and relaxing holiday break. Sadly we will be having our last term with our current kinder kids, but an exciting one.

Jeanelle Bundy

Aboriginal Education Officer

Thank you very much to the wonderful volunteers who helped set up and run our book fair last week. We successfully achieved our book selling goal! We really appreciate everyone who visited our book fair and purchased a book, supporting our school library. It was fabulous to see so many students interested in books and even more so, excited to read! It was also great to hear about the innovative ways that students had been saving their money in the lead up to the book fair. Some students were using their saved birthday money, carrying out extra chores around the house in exchange for a book and some were saving money through the 'return and earn' scheme. Happy reading!

They asked her: "How did you persuade your child to read instead of playing with smart devices?!"

She said : "Children don't hear us, they imitate us"
