PARENT/TEACHER SESSIONS

Parent/teacher sessions will be held during Weeks 2 and 3 of term 2 for all students. These will be 15-minute individual time slots for the parent and teacher only. These sessions are important because they allow parents to gain information about their child's academic and social progress so far during this year. Interviews allow teachers further insight into their students and give parents the opportunity to identify ways in which they can help support their child effectively. The school encourages all parents to make an appointment and be part of your child's learning.

Session times are as follows:
