## DIGITAL TECHNOLOGIES ENRICHMENT PROGRAM

Wyong Public School students in Stages 1-3 have the opportunity to be involved in an enrichment program in the area of technology and computing. The program is strongly aligned with the Australian Curriculum and NSW Syllabus outcomes.

**Snap On Electronics (Stage 1)** – In Snap On Electronics, students are introduced to the world of electronics and circuits in a fun and engaging manner. Students examine a number of components, then draw the circuit before they build it using snap-on style electric equipment. They will be making amazing projects involving lights and sounds. When students are building and investigating these circuits, they learn how the individual components function together to make a system work. This way of thinking and approaching a problem benefits them in science and mathematics.

**Exciting Electronics (Stage 2 & 3)** – In Exciting Electronics, students will be working together to draw, build and code working electronic circuits. They will learn how to light up LED's and code them to create their own Vivid light shows, as well as learn how to wire switches, make their own digital display, RGB LED's and potentiometers (similar to dimmer switch). The course is very hands on and engaging and ends with a wonderful project. The combination of skills developed in this course serves to benefit other school learning areas that involve any system with rules and multiple dependant components, whether that be a science project, a maths equation, or a sentence in English.

- WHEN:** Thursday, 12<sup>th</sup> March 2020 – Thursday, 9<sup>th</sup> April 2020
- WHERE:** Wyong Public School's Collaboration Room
- WHO:** Stage 1-3 Students
- WHAT:** All equipment provided by SCOPE IT team
- COST:** \$60.00 families can use the creative kids vouchers (limited positions)
- CLOSING DATE:** Complete the permission note below and return with payment of \$60.00 per student by Friday, 6<sup>th</sup> March 2020 (limited positions).  
**PAYMENTS WILL NOT BE ACCEPTED AFTER THIS DATE.**

**Special Instruction:** Money will not be refunded if students miss a week.

Thank you

## DIGITAL TECHNOLOGIES ENRICHMENT PROGRAM

I give permission for my child ..... in class ..... to  
(Please Print)  
participate in Digital Technologies Enrichment Program held at School starting every Thursday between the 12<sup>th</sup> March and the 9<sup>th</sup> April 2020.

- I understand the cost will be \$60.00 per student.
- I understand that if my child is absent during the course of this program I will not receive a make-up session or refund.
- **Payment and notes must be returned by Friday, 6<sup>th</sup> March 2020.**
- **NO PAYMENTS WILL BE ACCEPTED AFTER THIS DATE.**

Parent/Carers Name .....  
(Please Print)

Signature ..... Date .....

I have made an online payment	
My receipt number is .....	Date .....
Amount paid .....	
Signature .....	

Please fill in the table below if you intend to use a Creative Kids voucher for payment  
Please attach a copy of your Creative Kids voucher

Creative Kids voucher number (must start with 9999...)	9999
Student's name exactly as it appears on Creative Kids voucher	
Student's date of birth	
Email address	
Phone number	
Student's class	

Please tick box if you would like to be contacted by Scope IT Education regarding after-school and holiday events held in your area.
