The Principal will have the right to remove any student whose behavior and risk management infringes upon themselves and / or others leading up to this excursion.

All students and staff who attend day / overnight excursions (at the expense of being away from home for day/s) have the right to enjoy the learning experiences each excursion offers.

Any student whose behavior while on excursion is deemed unacceptable (as per our student welfare policy) will have parents / caregivers notified and be transported home.

Deposits for this camp will only be refunded under extenuating circumstances, as the school ultimately covers any costs associated with students withdrawing.
