

Thinking about the best option for your child's educational future?

Dear Parent/Guardian:

Wyong High School would like to invite you to our Year 7 2024 Information Evening to find out about our diverse and flexible range of learning opportunities for all students.

The information session will allow you to hear from a variety of key members from the school community including those involved in the transition of students entering Year 7 in 2024. Light refreshments and food will be served from 4:30pm, with a Q&A followed by school tours.

We look forward to seeing you there.
