CHILDREN'S UNIVERSITY

Want to join in the fun of Children's University Newcastle?

This program is open to all children who love to learn. Students involved in the Children's University Newcastle (CU) are encouraged to connect with new learning opportunities and discover what educational events/experiences they can do at home; in their local and regional areas. Children can be connected to learning activities across Australia.

All children receive a passport book that is used to record each learning experience and the time taken to complete each opportunity. Children work towards a minimum of 30 hours to be able to join us for a community graduation ceremony in Term 4.

What can I count in my passport?

Any club /association based activity – sport/musical/cultural (capped at 10 hours /year)

School clubs/groups (occurring before, at lunch after school)

Online learning experiences (CU has a website full of new learning experiences, a new online challenge every month)

Community pop up events (Multicultural Festival; Writers Festival; Stomp Festival) all community events need to be supported by learning evidence/ journal entry describing the learning that took place.

How can our family find out what is available?

1. Children's University website: <https://cuaportal.com>. We are in partnership with over 500 learning destinations across Australia. Destinations are listed on the CU portal.
2. Facebook: Children's University Australasia (Newcastle) <https://www.facebook.com/ChildrensUniversityNewcastle/>

COST: Annual membership \$20. (paid to the school)

WHERE: At school

WHO: Year 3 – Year 6 (first 30 to pay)

Please be advised that this event/activity is required to be held in accordance with any current NSW Health COVID-19 Public Health Orders and the NSW Department of Education's policies and procedures. There may be a risk that your child may be exposed to COVID-19 whilst attending and participating at this event. Your child must not attend if they are displaying any symptoms of illness, and/or if directed to isolate under public health orders.
