RONALD McDONALD HOUSE FUNDRAISER

“Dance for Sick Kids”

This year, the students at Wyong Public School are raising money for Ronald McDonald House. When a child is diagnosed with a serious illness, it impacts the whole family. Lives can be turned upside down in an instant. Ronald McDonald House gives families of seriously ill children affordable accommodation during their time in hospital. Rather than spending nights in the hospital waiting room or finding the money to pay for a motel, families can stay in the facilities and receive support from staff.

In Week 9, students at Wyong Public School will be learning the Ghostbusters dance routine. On Friday, 23rd June 2023 the entire school will meet in the hall and perform the dance together. On this day, we are also asking students to provide a gold coin donation and come wearing yellow. Yellow is a symbolic colour for Ronald McDonald House and also symbolizes hope.

WHEN: Friday, 23rd June 2023

WHERE: At school

WHO: Kindergarten – Year 6 - whole school

COST: Gold coin donation

Special Instruction:

- All students can come to school wearing something yellow.
