Semester 1 2023 Reports to be sent via the Parent Portal

Dear Parents and Carers,

As we approach the end of Term 2, I would like to inform you that the Semester 1 Reports for your child will be released at the end of this term during Week 10. In order to streamline communication and align with our digital initiatives such as attendance tracking, messaging, notifications, and *upcoming excursion payments and permissions*, the reports will be sent electronically via the Parent Portal.

Please be aware that all previous years' reports are already accessible through the Parent Portal. The portal provides a secure and convenient way to monitor your child's progress throughout the year, and we encourage you to utilise it regularly. A guide on accessing reports from the Parent Portal is provided on the back of this note for your reference.

We understand that some families may prefer a printed copy of the report, and accommodations can be made for those who require it. To request a printed copy of your child's report, kindly contact your classroom teacher to be added to our printing list.

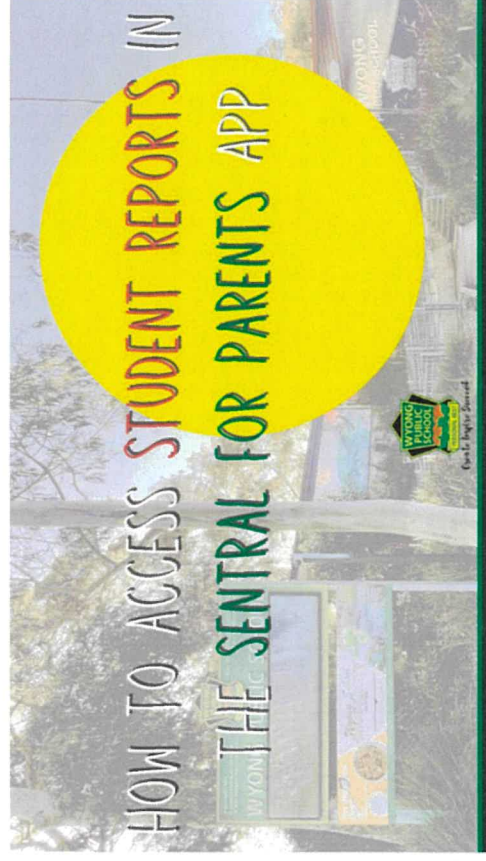

Should you have any difficulties accessing our Parent Portal either through the 'Sentral for Parents' App or website, please contact the school office and we can arrange a time to help.

Thank you for your continued support and involvement in your child's education. We look forward to our ongoing collaboration to ensure your child's success.

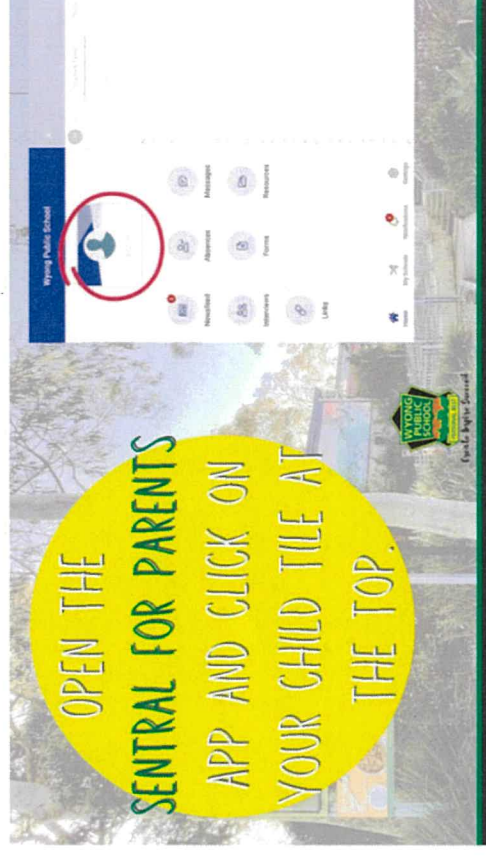

Sincerely,

Todd Miladinovic
Principal
