

12th August 2020

Virtual Father's Day Stall

Dear families and friends,

Like with many other things at the moment, we need to find different ways to do what we'd normally do. So, this year, our annual Father's Day Stall will be run on a virtual platform! This will allow students to show their Dad or a special person in their life how important they are.

This year GIFT PACKS will be available for purchasing online! They are to be ordered via a Google Form* - <https://forms.gle/HSJBsKKH4YnZr5k96> - and this link is also available on the school website. Packs can be paid for via Direct Deposit, EFTPOS or cash. Cash payments are to be made to the office, with your child's name and class on a sealed envelope. Details for direct deposit and EFTPOS payments are found within the Google Form. Please note: Parent online payment (POP) via school website is not accepted.

The gift packs will contain a selection of items from our range of Father's Day merchandise. For families with multiple children at the school, we will endeavour to arrange different items in the gift packs. (Please note that due to the impact of COVID-19 we are unable to offer students the opportunity to select individual items to include in their gift pack). We are also offering packs for mums and grandad/grandpa items.

To avoid disappointment, **GIFT PACKS SHOULD BE ORDERED AND PAID FOR BY MONDAY 31ST AUGUST.** Orders placed after this date may not be able to be filled, and please note that due limited stock, orders will be filled on a 'first in, first served' basis.

Limited leftover items may be available to purchase from the Uniform Store on Friday 4th September - please remember social distancing requirements.

Thank you

Wyong Public School P&C Fundraising Committee

* In the event you cannot access the Google Form, please contact the Front Office or visit the Uniform Store for assistance. All orders should be placed through the Google Form when possible!
