YEAR 5 READING & NUMERACY CHECK IN ASSESSMENT

Year 5 students will participate in a new reading and numeracy check-in assessment in Term 3 2020.

The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor Year 5 student learning following the period of learning from home.

The Check-in assessments can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs.

- The assessment will be scheduled for our Year 5 students from 17th August 2020 until 4th September 2020.

Students with disability may receive the same level of support during the assessment that they would normally receive in the classroom.
